SHOW FURNITURE CATALOGUE

*The Home
of
Good
Furniture*

BUYING furniture is not as difficult from travelling abroad. If you can't get twelve months, plan for one. You can cover a lot of ground in that time. If you can't stock your home with furniture right at the start, buy a few pieces from time to time as you can afford it. In five years you will be surprised to note what a lot of really first-class furniture you own. Or let us quote you terms for furnishing throughout—*They're easy.*

¶ Only the best is worth buying. Marcus Clark Furniture has delighted tens of thousands of people. It is not "cheap" furniture. You can very likely get more timber and upholstery for your money—but nowhere can you purchase more lasting satisfaction and furniture friendliness.

¶ Write and tell us what you want & let us quote you a price.
